

New information regarding oiling at the Doubles/Singles Center for 2010.

Ladies,

During the 2009 tournament in Cleveland, participants were requested to complete a questionnaire. The most resounding comment we saw when discussing these questions and comments was; you wanted the lanes oiled between squads at the doubles/singles center.

Since the dates and squad times were already set for the 2010 tournament in Dayton, we did what we felt was the next best thing. The lanes will be oiled before the first squad each day as well as after the 11:00 squad both days. In addition, please keep in mind that there will only be three (3) games per squad being bowled this year since we split the doubles and singles.

Therefore, the squad times will be as follows:

Saturday: 9:00, 11:00 AM (oil), 2:00, 4:00 and 6:00 PM

Sunday: 9:00, 11:00 AM (oil), 2:00 and 4:00 PM

Your confirmations will reflect the correct squad times.

Once again, we are listening to the bowlers and making adjustments and changes when possible. As always, your thoughts and opinions are valued and will be accepted at any time. Should you have any questions concerning this schedule adjustment, please contact the office.

Thank you,
