The workshop is open to the entire bowling community in the state, male, female, youth leaders and proprietors.

We encourage the “Ohio Bowling Community” to attend this workshop and obtain ideas on how we can all work together to “Grow the Sport”.

There will be no charge for the workshop; however, we must have reservations prior so that we will know how many persons to have seating arrangements for and to have an adequate amount of supplies.

The deadline for reservations is Saturday, September 12, 2009.

Please complete the form and return.
